

New Life (NewLife906.com) is a church full of broken, imperfect people with every kind of story imaginable. We are a growing church with a Sunday gathering of 450 located in Michigan's beautiful Upper Peninsula. From the birth of New Life through today, God has called us to be a lighthouse to the Upper Peninsula. Some of our plans for the future include building a community center at our current location and planting satellite campuses to bring the hope of Christ to other areas of the 906.

We are seeking a team player who is interested in reaching, equipping, and empowering people to change their world. While we are looking for someone who is willing to help in all areas as needed, your primary focus is to youth grades 7 - 12.

Primary emphasis is given to loving, equipping, reaching, and empowering young people to live victorious lives in Christ.

Secondary emphasis is on seeking, training and equipping leaders to be apart of your leadership team.

Do you believe evangelism is accomplished both through lifestyle and planned outreach? Do think life is meant to be enjoyed?
